***** WHITEHALL CHRISTIAN SCHOOL ANNOUNCES NEW PRINCIPAL *****

After an uplifting and fulfilling school year in 2021-22 school, the Whitehall Christian School Board is pleased to share two exciting pieces of news as we look toward our 2022-23 year.

Whitehall Christian School will be retaining our complete full-time staff from our 2021-22 school year, and we will be adding a new principal/teacher to our team. That's great news! In precise words, Mr. Richard McWilliams will join our program beginning this summer as our new principal/teacher and will support our grade 5-8 classes, and Mrs. Priscilla Gonzales will transition her role to focus on our grade 1-4 classes enabling her to devote more time to her family. Both Mr. McWilliams and Mrs. Gonzalez have strong talents and true hearts for teaching, and have been led to our program through prayer and a desire to serve God and the children entrusted to our care for their academic and Christian growth.

Mr. McWilliams is a graduate of Washington Adventist University in Takoma Park, MD. He has been teaching since 2015, in California schools from 2015 until 2019 and internationally in Saipan, CNMI at the Saipan SDA School from 2019 to the present. Richard is highly motivated, is experienced in multilevel/multigrade teaching, and his strengths include both math and reading which he is anxious to put to use with our students
