WCS NEWS

APRIL 2023

PRINCIPAL'S MESSAGE

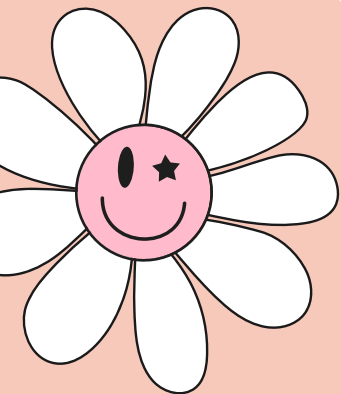

March was such a successful month, and it brings us great joy to tell of the marvelous work that Christ is continuing to do this year at Whitehall Christian School. We would like to thank those who were able to support our school in the strawberry fundraiser and book fair last month. Community involvement is greatly appreciated and will never go unnoticed, so please continue to support your school whenever possible. We hosted a student week of prayer last month, where six souls have been convicted by Christ to give their life to Him through baptism. Please pray for a successful process as our pastors prepare them for this great celebration. As the school year races to a close, we ask for your prayers as the students and teachers push forward to give their all, for Christ, in the classroom. It is our prayer, that sharing successful news about WCS will give you something to smile about this month! Please share this with your friends and family. In closing, we thank you for supporting Adventist education and we hope you enjoy our newsletter.

Blessings,

Principal McWilliams
